Items on Agenda

1. Previous minutes.

Accepted

2. Myles Edwards

Myles shared with us a fantastic presentation outlining the work of the Gathimba Edwards Foundation, and how it had come about. We will consider as a group how we can support the foundation moving forward. Huge thanks To Myles for his time and enthusiasm!

3. Financial Update

a) Report from Treasurer (ED)

ED outlined how much had been spent on agreed purchases. Purchases yet to be fulfilled were discussed. Some costs may be reduced.

b) Info/Request from LD

Mrs Dalziel shared information with us about the forthcoming Maths Puzzle Day (11th/12th Feb) run by The Happy Puzzle Company. Parents present agreed that the PTA would happily support this event and agreed to funds being made available to purchase resources so that the event could make more of a lasting impact within the school.

4. Ladies Night

The format for this event was shared and a request made for anyone with connections within the industry of health/beauty/wellness to pass on a request to get involved. (Flyer Attached)

5. Cinema Trip

JB has arranged for this to take place on Sunday the 20th of March to see a preview of the movie Zootopia. Information will be sent home shortly.

6. Disco in Feb/Junior Event

The P4-7 disco is scheduled to take place on Thursday 25th February. Thanks to Pamela Sainsbury for taking on the running of this in recent years. Pam is now stepping down so we will be looking for someone else to take on this role (Twice a year, book DJ, buy water/crisps for pupils, request helpers for the night through the school)

P1-3 will have something planned around the same time. FB, MB and NS already have the planning for this underway. Thank you Ladies!
