Agenda item	Updates and discussions	Action	Responsible Person(s)
1.	Welcome and Apologies Katrina (Chair) welcomed attendees to the meeting.		
2.	Previous minutes were approved	Circulate minutes	RG/School Office
3.	Learning at Home Good progress made - homework tips section requires some more attention to personalise it to Cults Primary School. Looking for a small group to form a one-off meeting to agree what we think is best. This meeting would likely take place on a Monday. Nichola Watson and Michelle Barber are available.		

<p>5.</p> <p>6.</p>	<p>Walking Bus An Eco-City Award was received for the Walking Bus today.</p> <p>Purple Unit Path Both Parent Council and Miss McKay are continuing to pursue this issue with Aberdeen City Council. The architects have advised that due to the significant change in gradient an accessible footpath would be difficult to achieve and given the cost for this it is not something that is affordable within budgets. Parent Council are trying to focus on the muddiest bit of path which is also the area that is not affected by the gradient.</p> <p>Some options for solutions:</p> <ul style="list-style-type: none"> - Query what the cost of tarmac would be in terms of fundraising - Query whether the access door could open on to the large playgroup as opposed to the nursery side. 		

7.	<p>Future Parent Council Meeting Dates 2019/20 21st January 2020 17th March 2020 26th May 2020</p> <p>Dates of the next PC meeting: 21st January 2019</p> <p>Any parent of a child at Cults Primary/ Nursery is very welcome to attend any Parent Council meeting</p> <p>The Parent Council can be contacted on: PCCultsPrimary@aberdeen.npfs.org.uk</p>
