

Aberdeen City Paediatric Speech and Language Therapy Advice Line

Do you have concerns about a child/young person's
speech, language or communication skills?

Please contact our advice line to speak to a qualified
speech and language therapist.

This service is for parents and carers as well as
professionals, including health visitors, education
staff and GPs who are based in Aberdeen City.

01224 554 558

Every Tuesday and
Thursday
