

# Cults Primary School

## Learning and Teaching Policy

Use Google Classroom and G Suite across all areas to share and improve my learning

Have a positive attitude towards my learning and develop my growth mindset and resilience

Have ownership of my own learning and that of others and recognise I learn from mistakes

Know what I am learning and why through clear LI and SC, that I (sometimes) have helped create

Have access to appropriate and relevant resources to help me in my learning

Be both supported and challenged across the curriculum

**Responsible Citizen**

*Respect*

*Honesty*

**Confident Individual**

*Equity*

**Successful Learner**

*Ambition*

Develop my knowledge, understanding and skills that will help me in the future

Have the opportunity to contribute my time and talents to my class, year group, unit, whole school and community

Have opportunities to mentor my peers and other pupils in school

*Fairness*

**Effective Contributor**

### As a learner at Cults Primary School I will .....

Talk about my learning with my parents / carers so they can support me at home too.

**Have fun!**

Link my learning to Developing the Young Workforce

Enjoy my learning, try my best and not give up.

Embrace the uniqueness of our school

Reflect on my learning in order to set next steps, having received quality feedback

Collaboration

Challenge and enjoyment

Progression

Personalisation and Choice
