

## School Improvement Priorities 2024-25

### **Support the health and wellbeing of all**

- Increase opportunities for all learners to develop curiosity and creativity through Outdoor Learning
- Support targeted learners and families through ACIS play therapy

NIF Priority 2—Improvement in children and young people's health and wellbeing

### **Develop High Quality Interactions**

- Engagement with play pedagogy to develop whole school approaches
- Develop whole school guidance to support consistency of effective questioning

NIF Priority 3—Closing the attainment gap between the most and least disadvantaged children

### **Improve Writing Skills and Techniques**

- Pupil Council to create standard for jotter presentation
- Monitor learning and teaching of spelling, grammar and punctuation and review resources

NIF Priority 4—Improvement in skills and sustained, positive school-leaver destinations for all young people

### **Accelerate Progress in Writing**

- Review approaches to assessment, feedback and gathering evidence of progress in writing
- Review writing progressions and pathways to promote pace and challenge

NIF Priority 5—Improvement in attainment, particularly in literacy and numeracy
